

Municipal sales of licenses and permits represent one of the several vital revenue streams for local governments. LicenseTracker™ handles the management, accounting, and the printing of all types of licenses and permits. Upload and configure custom templates, track customers, view reports, and much more.

Simply type a name and click search.

Roll up your sleeves and dig in!

Which one would you rather search through?

Does your municipality suffer any of the following?

- Inefficient or non-existent software.
- Inability to track sales and generate reports.
- Inability to track customers and accounts.
- Inability to centralize information.
- Endless error-prone paperwork.

Why Use LicenseTracker™?

- ✓ Ease of operation and reduce training times.
- ✓ Reduce paperwork and transaction times.
- ✓ Centralize and access real-time data.
- ✓ Powerful and adaptable reports.
- ✓ Customizable license and permit print templates.
- ✓ Customize to your particular municipality's needs.

Pull a variety of powerful reports to monitor every aspect of accounting and sales.

But don't take our word for it...

Here's what our customers are saying...

"Bonsai Logic's software has surpassed all of our expectations. We have been able to eliminate needless paperwork, vastly increase our productivity, and concentrate more on the things that really matter. I don't know how we did our work before, but we couldn't do without Bonsai Logic's solution now."

Steve Buss, MIS Director
Dennis, Massachusetts
